What to send for a quotation

01 FABRIC & COLOR	Composition, target GSM if known, fabric reference and approved color reference for each wearer group.
02 FIT & CONSTRUCTION	Separate youth and adult charts, measuring points and units; collar, placket, sleeve and cuff details.
03 LOGO & LABELS	Authorized artwork, finish, dimensions and placement. Include brand, size and care-label requirements.
04 QUANTITIES & DELIVERY	Pieces by style, color and size; receiving city, state, country and postal code; required arrival date.

Approve the sample. Confirm the order terms.

Review fabric, shade, measurements, fit, logo and construction against the same dated specification. Agree revisions and the final sample version before authorizing bulk production.

Minimums and pricing depend on the specification and quantity breakdown. Confirm sample charges, bulk production timing, shipping and destination-charge responsibilities in your quotation.

Start with your specification and receiving destination.
